SWAMP WESLEYAN BY 37 TO 0 SCORE

BEARCATS AT LAST HIT STRIDE AND WIN YESTERDAY

SHAKE-UPS IN M. I. A. A.

Several Teams Upset Dope And Win —Report of the Game Play By Play

The Bearcats romped their way to their first conference victory yesterday when they defeated the Central Wesleyan team of Warrenton on the State Teachers College field by a score of 37 to 0. The local team counted in every period and in the last two quarters of each half the pigskin went over the Warrenton goal twice.

On the offense Wilson was the stellar backfield performer for the Bearcats. His end runs were responsible for many of the long gains which the locals made.

Webb, who alternated at end and half, also played mighty good ball. He was on his toes all the time and he played real football. Once, when called back to punt, he kicked the ball and then ran down and made the tackle. Of course the punt was high and lacked distance but nevertheless Webb was there just the same.

The game was clean beyond a doubt. Rough playing was not indulged in and the game was just hard, fast football.

Play by play the game follows:

First quarter—Maryville kicked off and the ball was returned ten yards. Wesleyan gained a yard through left guard. Wesleyan tried a forward pass which Leech of Maryville intercepted for a gain of eight yards. Leech made eight yards around left end. Foreman made first down over left tackle. Webb gained ten yards on end around end play. On fake play Leech gained five yards. Wilson gained ten yards on end run. Foreman hit the line for three yards. Foreman skinned right tackle for a touchdown. Beck failed to kick goal. Touchdown made in first six minutes of play. Score—Maryville 6; Warrenton—0.

Maryville kicked and Warrenton returned three yards. Warrenton tried three line bucks and then punted to Beck who returned the ball nine yards. Wilson made five yards on a short end run. Foreman made seven yards over right tackle. A forward pass, Wilson to Beck was knocked down. End around end failed. Another forward flip incompiete and the quarter ended with the ball in Warrenton territory on the twenty-two yard line.

Second quarter—Warrenton intercepted a forward pass and punted. Maryville's ball. Left end run lost a yard. Fake play lost two yards Wilson gained nine yards on end run. Foreman hit off left tackle and kept ongo ing for thirty-eight yards. End ru nby Wilson gained 5 yards. Foreman hit the line for three. Short end run netted five yards. Leech gained four yards on short end run. Fake play netted five yards.

At this juncture of the game Young went in for Webb and Webb took Leech's half. Maryville lost ball on fumble. Wesleyan gained seven yards on two plays through the line. Schaffner, Wesleyan half, taken from the game with injured knee. Diehr in. Wesleyan punted. Wilson gained six yards on end run. Wesleyan offside. Penalized five yards. End around end. Allan gained three yards Foreman gained four through center. Wilson skirted right end for twenty yards. Warrenton recovered a Maryville fumble. Warrenton kicked. Beck ran the kick back ten yards. Wilson gained twenty-five yards around end. Foreman hit the line for a yard, and then again for five yards. Wilson made touchdown on short end run. Beck kicked goal. Score- Maryville 13—Warrenton 0.

Warrenton received the kick and ran it back fifteeen yards. Warrenton gained four yards off end. Gained on through line. Forward pass incomplete. Warrenton kicked. Beck returned the ball five yards. Maryville fumbled but recovered the ball. Forward pass netted twenty yards. Foreman hit off tackle for eight yards and a touchdown. Beck failed to kick. Score—Maryville 19; Warrenton, 0.

Wesleyan elected to kick. Webb returned the ball twenty-five yards. Webb lost a yard on end run. Forward pass, Wilson to Webb, netted

TWO KILLED IN FIRE AT CHICAGO TODAY

A Third Woman Is Injured When She Jumps From the Second Story Window With Her Husband.

Chicago, Oct. 21.—Two young women were killed by smoke and heat and a third was seriously injured when she and her husband leaped from a second story window during a fire that damaged a factory of the Knickabacher Company early today.

Miss Opal Hodge 21, Miss Anna Bradley 18 are the dead.

Mrs. Rose Grant, 26 suffered fracture of her legs and internal injuries when she jumped from window of second floor. Her husband escaped unhurt.

MILITARY ACADEMY APPOINTMENT HERE

EXAMINATION TO BE GIVEN FOR BATTERY C

EQUIPMENT COMING SOON

Captain Eugene A. Maynor Says That Horses for Battery Should Arrive In Short Time

Captain E. A. Maynor of Battery C. has an appointment to West Point for some member of Battery C. It is his plan to select the man who will receive the appointment by the process of elimination. On November 15 at the Armory building on North Buchannan street a mental examination will be given to all who wish to try for the appointment.

Every member of the Battery between the ages of seventeen and twenty-two is eligible to try for this appointment. After a man reaches the age of twenty-two he is to old to get into the military academy so only members of the battery who are under twenty-two years of age will be allowed to try for the appointment.

The appointment came to Batteries A, B and C but Captain Maynor said that it was his opinion that there would be no one from Battery A and that no one in Battery B is eligible to try for the appointment. Just how many men will try for the appointment is not known.

Captain Maynor has received notice from Col. Adams that the uniforms and equipment for the Battery in Maryville have been requisitioned and should be in Maryville within a week or two.

Each man in the battery will receive complete equipment, including overcoat, raincoat, uniform, shoes, hat. The measurements for the uniforms were taken at the Armory several weeks ago and each man will receive a uniform and accessories that will fit him.

The horses for the battery have been requisitioned and should arrive as soon or shortly after the uniforms. The stable order has been approved and all is in readiness when the horses and equipment arrive.

MRS. CLARA PHILLIPS TRIAL SUSPENDED TODAY

Indications Are That the "Hammer Murder" Case Will Be Heard by Six Men and Six Women.

Los Angeles, Calif., Oct. 21—With the jury almost completed the trial of Mrs. Clara Phillips, charged with the "Hammer Murder" of Mrs. Alberta Meadows was suspended today because of no court sessions on Saturday.

The indications now are that the jury will comprise of six men and six women. Attorneys for each side have confined the selection of the jury to legal matters and not to sex.

It is now believed that the jury will be secured Monday. What Mrs. Phillips will offer as a defense still remains a supposition. Her attorney E. A. Herrington, would not state what would be Mrs. Phillips defense but from his action in selecting the juriors so far it is thought an attempt will be made to impeach testimony of Peggy Caffee former confident of Mrs. Phillips and confessed eye witness of the slaying.

Eleven Killed in Wreck.

Paris, Oct. 21.—Eleven persons were killed and a number injured when an express train collided with a freight at Mulhouse in Alsace-Lorraine, sixty miles west of Strausburg.

Mrs. R. L. Isherwood of Chillicothe Mo., arrived in Maryville Thursday evening for a short visit with her sister Mrs. R. H. Perry and Miss Hazel Perry.

HALE WILL ARRIVE HERE MONDAY NOON

WAS FORMERLY PASTOR OF FIRST BAPTIST CHURCH

A SERIES OF MEETINGS

Is to Speak at 7:30 O'Clock Each Evening — Meeting for the Women Monday Afternoon

The Rev. Lewis M. Hale will arrive in Maryville at noon Monday to begin a series of meetings at the First Baptist Church. He will begin the series at 7:30 o'clock Monday evening, and will speak each evening at this hour.

Mr. Hale was formerly pastor of the Baptist Church here and was one of the most popular ministers that Maryville has ever had. He was here at the time of the fight between the "wet" and "dry" factions over local option. He was one of the leaders of the local option forces.

From Maryville Mr. Hale went to the

REV. L. M. HALE.

Delmar Avenue Baptist Church in St. Louis, where he still remains. His church is the result of the consolidation of several churches in St. Louis and is considered one of the strongest in the denomination in St. Louis.

Mr. Hale was in Kansas City this week attending the Baptist association. He returned to be at his church tomorrow morning and will leave that city for Maryville tomorrow evening.

The Rev. Joseph A. Cooper, pastor of the First Baptist Church here, will speak twice tomorrow and will finish the series that he has been giving in preparation for Mr. Hale's meetings His series has been on "Some Religious Whys." The morning topic will be "Why Belong to a Church" and the evening subject will be "Our Supreme Worth."

Monday afternoon the ladies of the congregation of the church will be spoken to by Miss Kathleen Mallory, corresponding secretary of women's missionary societies of the Baptist Church. She is one of the outstanding leaders of the country in her work. There will be a reception at the church at 2 o'clock Monday afternoon for the secretary.

To this reception and to the meeting which will follow are invited not only the women of the church and the congregation, but representatives of all the women's organizations in the district and the women of all the organizations in Maryville.

GOT RADIO NEWS FROM MANY CITIES LAST NIGHT

Crowd of "Bugs" at the K. P. Hall Picked up Messages from Seventeen Stations

A crowd of radio "bugs" spent several hours last night at the K. P. Hall listening in on music, reports and adresses from all parts of the country. The operator of the radio was able to pick up seventeen different broadcasting stations. The cities which were heard from were—Atlanta, Georgia; Sweeney Automobile School in Kansas City; Davenport, Ia.; East Pittsburgh, Pa.; College Park, Ga.; Louisville, Ky.; Jefferson City; Kansas City Star; Dallas, Tex.; St. Louis Post Dispatch; Iola, Ia.; Fort Worth, Tex.; Anthony, Kan.; Waco, Texas, Lincoln, Neb., and St. Louis.

After 5 o'clock some of the men are going to try to pick up Lincoln, Neb., again to get the returns on the Missouri-Nebraska football game.

ACHITECTURAL SECRETARY AT M. E. CHURCH SOUTH

The Rev. J. A. Baylor Will Speak Tomorrow Evening—On Rebuilding Program.

The Rev. J. A. Baylor of Louisville, Ky., Architectural Secretary of the Board of Church Expansion of the M. E. Church, South, will visit the Maryville church tomorrow for the purpose of drafting plans and specifications for a rebuilding program which the church is contemplating.

Mr. Baylor arrived in Maryville at noon today from Kansas City. He will speak at the church tomorrow night.

SECOND MEETING TO BE WEDNESDAY

ALL CLUBS THAT HAVE LITERARY WORK INVITED.

PROGRAM TO BE GIVEN

"Glory of the Morning" to Be the Play—All Club Women are Welcome.

The Music and Literature Department of the Twentieth Century Club will hold its second meeting next Wednesday afternoon at 2:30 o'clock in the College auditorium. In the year book it was scheduled for Tuesday, Oct. 24, but has been changed to Wednesday.

Mrs. D. R. Baker, Mrs. H. R. Juvenal and Mrs. Harry Todd, delegates to the first district meeting of Federated Clubs in St. Joseph last week, report the keynote of that meeting as "federation and expansion." With this slogan in view the local club hopes to interest every club in the county to federate. Every club in the county which studies or has literary programs, has been extended an invitation by the officers of the Maryville club to attend this meeting next Wednesday. Committees have been appointed to meet all the visiting women and Mrs. D. R. Baker, president, will talk on "Federa- E. F. Curfman, chairman of the Tourist co-operating.

Greetings will also be given by Mrs. E. C. Curfman, chairman of the Tourist department, Mrs. J. R. Lowry, chairman of the Arts and Crafts Department, and Mrs. M. A. Peery, chairman of the Music and Literature Department.

The program will be as follows:

"The Primitive Way in Music—Music of the American Indian"—Mrs. O. L. Curl.

Group of Indian Songs—Mrs. Fred P. Robinson.

Piano solo—Mrs. Edwin F. Caldwell, Burlington Junction.

"Wooing of Hiawatha," with musical accompaniment—Miss Blanche Dow and Miss Geneva Willfey of the College.

The play of the afternoon will be "Glory of the Morning" by William Ellery. It will be introduced and directed by Mrs. Blaine Archer. The characters are:

Glory of the Morning—Mrs. Blaine Archer.

The Chevalier—Mrs. Sam Bithos.

Red Wing—Mrs. Marve Curnutt.

Oak Leaf—Mrs. Bert Cooper.

Black Wolf—Mrs. W. W. Stanfield.

Those who attended and enjoyed the September program by this department will look forward to this meeting Wednesday. All women interested in club work will be welcomed by the members at the College next week.

$150,000 FIRE DESTROYS MANY CIRCUS ANIMALS

Broke Out at the Horne Zoological Arena, Near Independence, Mo. This Morning.

Independence, Mo., Oct. 21—Property lost estimated at $150,000 including the loss of seventy-five wild animals, is the result of a fire which is believed to have been of incendiary origin early today and which swept the Horne Zoological Arena here.

The animals consisting of pumas, panthers, tigers, lions and other beasts were gathered from circeuses. The fire followed an explosion at 3 o'clock this morning which caused a sheet of flame to cover six buildings in the arena.

It was from the Horne arena that a black leopard escaped a year ago, keeping the people in the vicinity of Kansas City and Independence in terror for several weeks, lest it attack some one. The leopard was finally killed in the southern part of the state.

ROSEBERRY GIVES HIS R. C. REPORT

"SERVICE" THE THEME OF WASHINGTON CONVENTION.

ORGANIZATIONACTIVITIES

Should Have Local Band Disaster Relief Workers in Nodaway County.

A special call meeting of the board of the Nodaway County Chapter of the American Red Cross was held last night and G. B. Roseberry, delegate from the local chapter to the convention held October 9 to 12 in Washington, D. C., gave his report. The report follows:

The National Convention convened at Washington, D. C., in the Memorial Continental Hall at 9:30. Judge John Barton Payne, National Chairman, called the convention to order and the singing of "America," accompanied by the U. S. Marine Band Orchestra, which was followed by prayer by Rt. Rev. William F. McDowell, bishop of Washington, who asked God's blessing on this great organization with its holy history, with its record of service on a thousand fields, with its name written in millions of hearts, with its services recorded where good deeds are permanently preserved in the hearts of man and in the mind of God.

The theme of the convention was "Service."

The convention was organized by having the different divisions appoint members of their number to act on credential, resolutions, nominating, organization and rules committees.

Miss Betty Turner was selected as secretary of the Southwest Division conference which selected the Southwest Division quota of members for the above committees.

Your delegate, G. B. Roseberry, served on the nominating committee which had for its duty the selection of three members of the National Executive Committee and this committee selected Mrs. Frank V. Hammer of St. Louis, Mrs. Judge W. W. Morrow, San Francisco, Cal., and Mr. Douglas of Miami, Fla. Mr. Douglas was chosen to take the place of the late Henry P. Davidson.

Judge John Barton Payne announced that the executive committee had that very morning agreed to get behind the relief work of the Near East and send our men and $50,000 for clothing and blankets and $25,000 for medical supplies and he stated that the Red Cross was behind this work to the limit and if we did not have the money, we would get it. This statement was greeted with wild applause by the delegates and a little later a resolution was passed pledging the support of the delegates and their Chapters to this great work in the Near East Relief.

Our own Dr. A. Ross Hill, who resigned from his work as the head of our State University to take up this great work for the Red Cross, will have full charge of the relief work and the distribution of our funds at Athens for which place he has already sailed.

There were about 300 delegates and 300 official guests assembled at this great convention. All of the states of the U. S. were represented and quite a few were in attendance from over the sea.

In the closing hours of the convention the delegates received with enthusiasm the injunction to carry back to the women of their chapters the message "Get to work with your needles and begin the production of refugee garments that will be needed in great quantities for we do not know how big this job is, although we do know it demands the spirit that was born of the emergency of the world's war."

The next high point of interest in this convention was the scope of the activities of the Red Cross that are permitted by the Charter. Miss Boardman, the National Secretary said that we must confine our work to the activities that were specified in our National Charter or our property might be taken by the government and our Charter surrendered.

We know that we can perform the following services under our charter.

1st. Service to disabled veterans of world wars and their families.

2nd. Emergency relief in war and peace.

3rd. Local disaster relief.

4th. Junior Red Cross work.

5th. Nutrition work.

6th. Volunteer Service.

7th. Practicing of nursing work.

WALLACE REID SUFFERS WITH AILMENT OF THE EYES

Motion Picture Star Granted Three Weeks Leave of Absence to Be Spent in Mountains.

Los Angeles, Oct. 21—Wallace Reid, motion picture star, is under care of specialists today suffering "klieg eyes" according, information.

"Klieg eye" are said to be a burning of the eye balls, caused by bright lights of a studio and is a common ailment. It was denied emphatically that he was in a serious condition. Reid has been granted a three-weeks leave of absence, which he will spend in the mountains.

BREWSTER WOULD MAKE PRESIDENT

JUDGE I. B. KIMBRELL SAYS SEND HIM TO THE SENATE.

DEFEAT DISASTEROUS

Kansas Citian Says Election of Democratic Senate Would Probably Mean Democratic President.

That R. R. Brewster, Republican candidate for the United States senate, is one of the brainiest men in the country and one of the wisest men in the world is the opinion of Judge I. B. Kimbrell of Kansas City and he said so when he spoke last night at the court house. "Elect Brewster to the senate in November and two years from now Missouri will have a promising man for Republican candidate for the presidency of the United States," he said.

Following is the substance of some of Judge Kimbrell's remarks:

It is up to the Republicans of Missouri to do their part and elect Brewster to the senate. Faust might be beaten in the Fourth District for congress, Ellis might be beaten in Kansas City and other Republican congressional candidates in other states might be defeated and it would not matter so much, but the Republicans cannot afford to lose out on senators, for it would mean a Democratic senate.

In standing for James A. Reed or anyone else as a wet candidate, Judge Kimbrell cannot understand just what a man means. Prohibition is a part of the constitution of the United States and Jim Reed or anyone else cannot bring about a change without a violation of the constitution. The beer that is sold now has all the looks and the taste and the food value of the kind that used to be on the market. All that it lacks is the kick. The wets seem to want something that will make them "hop."

If the Republicans lose their majority in the senate it will probably mean that a Democrat will go to the White House March 4, 1925.

Let every Republican vote in November as Lincoln or McKinley would vote at this time. If you sent Jim Reed to congress you may expect him to vote against every Republican principle that is brought up.

As to higher taxes in the state of Missouri. It has been found that the schools of Missouri were thirty-fourth in the nation. It was necessary to pay the teachers more and to make other improvements. If you are to have better conditions, you have to pay for them and this, not the administration, accounts for the fact that taxes are higher.

If the World War had not come on when it did it would have meant a condition in the country similar to that which existed at the time of Cleveland, because of the Democratic tariff measures. The United States has never had but three free trade presidents. They were Polk, Cleveland and Wilson.

When Woodrow Wilson left the White House 5 million people in the United States were out of employment.

Mr. Wilson left the White House with the country 24 billion dollars in debt and 60 per cent of this money was wasted during the war.

Brewster is the first man who has ever fought Jim Reed face to face.

Brewster has been watched by men of his party since the time he entered the prosecutor's office in Kansas City, when he was just past 21 years old, and he has made a remarkable record. At one time he raised $250,000 for the Mercy Hospital in Kansas City. He is a man of a high moral standard and the Republicans can make no mistake in selecting him for the next senator.

UP TO THE PEOPLE ---LLOYD GEORGE

WILL SAY WHETHER POLITICAL PARTY OR NATION FIRST.

A GREAT APPROBATION

Welsh Statesman and Former Premier Makes First Speech Since He Retired From Office.

Leeds, Eng., Oct. 21—"It is for the people to decide whether a political party or a nation is to come first, declared Lloyd George in a political speech here today, the first since he retired from premiership of the empire.

A great approbation were given to the Welsh statesman. The air was filled with flying hats and handkerchiefs. The former premier was happy and smiling. The air of battle was in his nostrils.

"I stand by the people," said he. "I put my record in the hands of the people."

HARVARD LEADS CENTRE 24-3 END OF FIRST HALF

Crowd of 50,000 Is Watching the Game This Afternoon—Much Enthusiasm Shown.

Harvard Stadium, Cambridge, Mass., Oct. 21.—The great concrete structure, known as the Harvard stadium, was a seething mass of humanity when the Harvard team came out on the gridiron on what will be the ultimate meeting this golden afternoon. It was the exciting game of the series between the rangy little school of the Kentucky hills and the great school of the North.

It was an enthusiastic crowd of 50,000. The attraction was worthy of the turn-out.

End of first half: Harvard, 24; Centre College, 3.

MAY ASK THAT GRAND JURY INDICT WOMAN AND MAN

Another Woman Has Also Been Brought Into the Hall-Mills Case—An Eye Witness?

New Brunswick, N. J., Oct. 21.—Indictments of a man and a woman on the charge of killing of the Rev. Edward Hall, wealthy rector of the St. John's Episcopal Church, and his pretty choir leader, Mrs. James Mills, may be asked by the county grand jury today.

Another woman has been brought into the case. So far her identity has not been revealed and it has been declared that she has made affidavit to Prosecutor Beekman that she was an eye witness of the murder and can identify the one. This woman has not been publicly mentioned up to the present time.

REV. R. E. SNODGRASS BACK FROM ST. LOUIS MEETING

Will Speak Here Tomorrow Night on "Mixing Religion and Politics" at Christian Church.

The Rev. R. E. Snodgrass and wife returned last night from St. Louis, where they have been attending the national congress of Christian churches. Rev. Snodgrass left this afternoon for Eagleville, where he will help in a campaign to raise the debt on the parsonage and assist in the organizing of the men's Bible Class there. Dr. Fred Keller will preach at the morning services at the Christian Church tomorrow, but Rev. Snodgrass will return tomorrow evening to preach on, "Mixing Religion and Politics." The following Sunday evening he will preach on "Will the United States Backslide?"

Wades Leave for Home.

Mr. and Mrs. O. P. Wade of Fairfield, Iowa, left yesterday for their home after visiting Mr. Wade's father, O. P. Wade, who is seriously ill at his home.

Is Visiting Here.

Mrs. Lamont Gann of Pueblo, Colo., arrived today in Maryville for a visit with Mr. and Mrs. L. C. Gann and Mrs. A. C. Gann.

Mr. and Mrs. J. C. Noles of Hopkins were visitors in Maryville Saturday.

WEATHER FORECAST

Generally fair to-night and Sunday; cooler Sunday in the north portion.

COMPLIMENTS MARYVILLE ON GETTING AUTOMBILE CLUB

Chillicothe Secretary Says That Division in His Town Has Done Much for Good Roads.

George A. Pickens, secretary of the Maryville Chamber of Commerce, received today the following letter from Harry W. Graham, secretary of the Chillicothe Chamber of Commerce:

"I just learned today that Maryville has been made a division point for the Automobile Club of Missouri. I want to congratulate you upon this move. It's a real sign that Maryville is beginning to get interested in the highway game.

"We have had a division point here for over a year now, of the Automobile Club of Missouri, and it has added very much to our eight years effort in highway work. The boys are all pleased with the results from the Auto Club of Missouri.

"Don't leave anything undone in the interest of Amendment No. 3. We are working night and day for it."

$70,000 LAND DEAL PUT THROUGH YESTERDAY

Paul Swinford and W. W. Potts Exchange Farms—Each to Give Possession March 1.

One of the biggest real estate trades put through in the county for some time took place yesterday when Paul Swinford purchased of W. W. Potts his 240 acre farm, located three miles southeast of Burlington Junction and Mr. Potts bought of Mr. Swinford his 160 acre farm, located six miles southwest of Maryville. The combined consideration was $70,000. Possession is to be given by both men March 1. The deal was made through Allen Bros. of Maryville.

Allen Bros. also sold the Marion L. Woods acreage track, located in the south part of Maryville, to Atwell Buttler of Gentry County for $2,500. Mr. Woods is to give possession March 1.

EAGLE TO BEGIN TESTS IN WHITE CLOUD TOWNSHIP.

Dr. T. J. Eagle will begin his program of testing cattle in White Cloud township Monday, when he makes tests in the morning at the farm of Arthur Roscoe and in the afternoon at the farm of N. A. Hartman. Both Mr. Roscoe and Mr. Hartman live in Maple Grove school district.

Mrs. Shemwell Operated On

Mrs. L. M. Shemwell, wife of the Rev. Mr. Shemwell who is pastor of the Wilcox and Pleasant Grove Methodist churches, was operated on yesterday morning at the St. Francis Hospital.

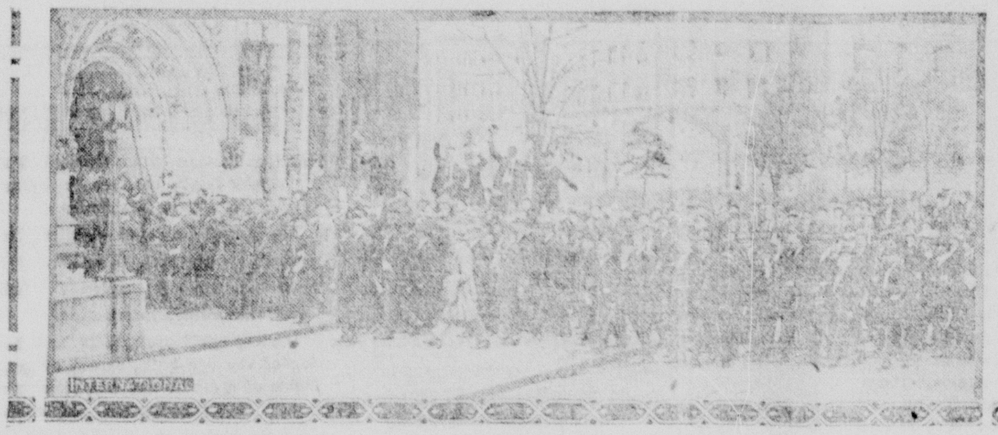
Veterans Glad to Go to School Again



Disabled veterans of the World war marching into the rotunda portals of learning at the College of the City of New York to attend the opening exercises for their initiation into vocational training. The training is under the direction of the college staff and no efforts will be spared to assist the men in every way possible.

"BRING UP FATHER IN HIS VACATION" HERE TODAY

"Red" Piggles, One of the Managers of the Company, Used to Play Ball Here

"Bringing Up Father On His Vacation" opened a two performance stand in Maryville this afternoon with a matinee at the Empire Theater. The show is not a $5 attraction but it is a dandy little show for the price of admission. Supporting a cast of twenty-five, "Bringing Up Father" made a hit at the matinee this afternoon.

One of the managers of the show is "Red" Piggles, who used to play baseball in Maryville. He was a member of the Nebraska City team of the Mink league and he played in Maryville every week. He said today that the people of Maryville did not like him very well then because he was batting 398 and that hurt the Maryville team.

Basketball Yesterday

Results of the basketball games which were played in the county tournament yesterday were:

Skidmore boys, 9—Pickering boys, 33.

Skidmore girls, 10—Pickering girls, 8.

Parnell, 32—Conception Junction, 11.

Graham, 30—Parnell, 22.

Elmo, 15—Clearmont, 44.

Elmo girls, 40—Clearmont girls, 0.

Guilford, 60—Harmony, 8.

Burlington Junction, 23—Quitman, 25.

FORD PRICE REVISED BECAUSE OF MUCH BUSINESS

Production in 1922 Already in Excess of 1 Million Machines—Is Sixth Cut.

According to a statement just issued by Edsel B. Ford, president of the Ford Motor Company, Detroit, a general reduction of $50 a car has been made in the prices of Ford Model T cars and the Ford one-ton truck, effective October 17.

"The revision in prices," said Mr. Ford, "is the result of the increased volume of business which our company has enjoyed during the present year, and also to the fact that we now own and operate many of our own sources of raw material, which enables us to continue increasing the quality of our product and at the same time keep the price so low that Ford cars are in reach of everybody.

"Our production for 1922 is already in excess of a million, which has been an important factor in bringing down costs. Our present daily output is averaging better than 5,000 cars and trucks, which means a complete Ford car or truck every 5½ seconds of each eight hour working day. It is in anticipation of this continued demand that price adjustments are again being made in order to keep in effect the policy of selling Ford products at the lowest price consistent with quality.

"Quality as usual," said Mr. Ford, "will continue to be a prime consideration in the building of Ford cars. As our business has increased we have constantly increased our equipment and manufacturing facilities, so that this price reduction merely reflects the progressive methods which come as a result of increased volume.

"This reduction, which is the sixth since March, 1920, brings the price of the Ford touring car from $575, the price in effect early in 1920, to the present extremely low level of $298, which is nearly 50 per cent less. Corresponding reductions have been made on all other types.

The new prices by types follows: F. O. B. Detroit:

Touring—$298.
Roadster—$269.
Coupe—$530.
Sedan—$595.
Truck—$380.

Place your orders now with the Barmann Auto Company, authorized Ford Sales and Service Station.—Adv.

Forumettes

Have you ever noticed
That the less work a man
Does the more he usually
Tires other people?

A man may forget a speech he is to make at a banquet but he never forgets what to say when his golf stroke goes wrong.

Trouble is about the only thing a man can have that he does not want more of.

There is nothing like an auto to part a fool and his money.

The reason some people have so many friends is because they hold their tongues and let their money do the talking.

That fact that your town is a 9 o'clock burg should not keep you from being up to the minute.

Uncle Abner, the town philosopher, says the greatest hero of the movies often is the man who sits through some of the pictures.

Our stenographer confesses that many Maryville girls have birthdays other than the one which come annually in order to have their boy friends buy the presents.

Louise, the stenographer, says she supposes the reason we have jazz orchestras is to give all the boiler markers jobs.

A good way to remember when the next income tax installment falls due is to recall that it comes ten days before Christmas.

A big tramp visited our neighbor's back door the other day and was told he would be given his dinner if he would clean up the back yard. "You would save it you would give it to me first" he said. "How is that?" asked our neighbor. "I would be twice as hungry after the job," he explained.

You will find children which are a credit to the family and others which merely are debts.

Vagrant Musings.

No matter how low the birth rate is the berth rate is always high enough.

You can see a lot of a girl without knowing her these modern days.

Judging from the smoke some of the hands on the 15 cent cigers cost a dime.

"Things are not what they seem." Perhaps that is the reason it is claimed married men live longer.

When wife goes home to mother you should be glad she does not bring mother home to you.

Little Inconsistancies.

Fifty Years Ago

From the Nodaway County Democrat, Oct. 24, 1872.

Hon. Willard P. Hall will speak in all parts of Worth County during the next week. Hall's character is above the low slang and personal attacks leveled by the Radical politicans at every man who refuses to support Radicalism and corruption.

George Worst has just received a lot of new wagons, which farmers had better examine before they buy. He is a clever man to deal with.

Farmers who have produce to sell had better give J. W. Walker a trial. He holds fourth on the south side of the square, and pays the highest price for everything.

Everybody will come to Maryville on Friday of next week and hear speeches by Messrs. Woodson, Anderson, Blair and Pike.

Hon. Thos. H. Parrish, our candidate for State Senator, will speak at Hopkins on the 24th. Let him have a good crowd, as he is a fair candid and eloquent speaker.

A club dance is being gotten up by some of our citizens, and arrangements being made for amusements during the fall and winter. Those who wish to join the club will apply to Dr. Charles or H. C. Fisher, Esq.

Senator Roseberry returned from Illinois a few days since, and from him we learn that the East and West road is now on its legs with plenty of capital and a prospect of completing the road next summer.

Arrangements are being made to raise the City Hotel and construct the first story of brick for store rooms.

We call attention to the notice of I. N. Wray, collector, informing taxpayers of the necessity of paying their taxes before the first of December.

The Arcade Billiard Hall, south side of the square, has become a popular resort for those who enjoy a nice game of billiards on a new table, or wish to take a "smile" at something nice. The best wines, liquors and cigars are always kept on hand, and customers waited upon with courtesy.

Twenty Years Ago.

Miss Artye Mae Mason will give a recital at the First M. E. church Friday evening. She will be assisted by Prof. I. Edwin Schneider, vocalist and Miss Fredda Hastings, reader.

Rev. and Mrs. I. T. Creek are attending the State Baptist Association, which is being held this week at St. Joseph.

Prof. Newlon, instructor of the mandolin and guitar in the Maryville Seminary, has resigned and has returned to his home in Trenton. Miss Anna Dooley has been elected to the position and commenced her work last week.

I. V. McMillan and David Munn of Nodaway lodge A. F. & A. M. and Adolph Stauble and John Bunger of Maryville Lodge No. 165 are attending the Grand Lodge of Masons at Kansas City this week.

Tom Clark is on his way home from Alaska. His wife has been in poor health some time and Mr. Clark has sold his interests there and comes home to stay.

Charley Bellews returned from Kansas City last evening wher he went last Saturday with a couple of his fine Shorthorns. He secured first premium in a class of 19 on the "Lad for All," a calf of his own breeding. The calf is 9 months old and weighs 900 pounds.

SAM A. BAKER URGES SCHOOL TO GIVE PROGRAMS

State Superintendent Sends Out Letters to County Men Regarding Observance of Armistice Day

The following letter was received today by Leslie G. Somerville, county superintendent of schools, from Sam A. Baker, state superintendent of schools:

Possibly there is no day in the year generally observed as a holiday which means more to the boys who took part in the great World War than Armistice Day, November 11. Since this day has such a deep meaning for our people, I deem it appropriate to ask all the schools of the state to observe this day by giving a short program at the school on Friday afternoon November 10.

I hope you will invite members of the American Legion posts of your community to be present and take part in the program. There are many persons in your community who will welcome the chance to assist you in making this occasion an opportunity for impressing some valuable lessons in patriotism and true Americanism upon the minds of the youth of our country.

Wishing you abundant success in your work, I am

Yours very truly,
SAM A. BAKER.

Guests at Case Home.

Mr. and Mrs. Robert Kirchman and children, Alice and Bobby, of Silver City, New Mexico, motored here yesterday to visit Mr. and Mrs. N. C. Case, 938 South Main street. They are enroute home from New York City and left today for New Mexico. Mr. Kirchman is mining superintendent of the Kirchman Silver Mines Corporation, which is one of the largest concerns in the Southwest.

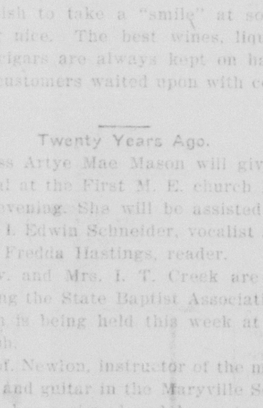
THE VALUE OF SAVING

"Save surely, steadily and wisely, so as to be able to spend judiciously in a time of need which will probably be greater than that of the present."

We welcome new accounts of One Dollar or more. We have a Bank Book waiting for you.

Oldest bank in the county. More than fifty years of service. Liberty Bonds bought and sold.



NODAWAY VALLEY BANK
Maryville, Mo.

Just A Moment---

We wish to announce to our patrons, old and new, that starting from this date we will do business on a cash basis. Now, we are not doing this because of any distrust that we might have towards our patrons—we wish to state right here that all business dealings we have had with our many customers has been mighty pleasant and we don't want any of them to take offense at our new policy of doing business.

Past experience has taught us that we are far better mechanics than bookkeepers. Elimination of the bookkeeping department will enable our patrons to share the amount saved in this way.

In other words, we believe that by conducting our business on a cash basis we can save both the customer and ourselves money. Won't you co-operate with us?

And as usual we stand behind our work, and will at all times see that the customer has been served to his complete satisfaction.

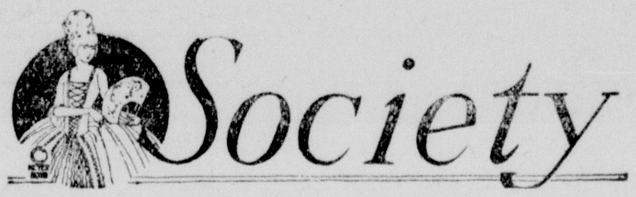
Saturday night, Oct. 21

at 7:30 o'clock in the Court House

Come out and hear the issues of the day discussed by these able speakers.

LADIES ESPECIALLY INVITED.



Parties at Phares Home.

Mrs. J. C. Allender, Mrs. J. H. Gray and Mrs. Mary A. Phares were hostesses at two delightful autumn parties Thursday afternoon and Friday afternoon at the home of Mrs. Phares on South Main street. The favor for high score at six-hand euchre on the first afternoon was won by Mrs. Ova Goff, and Miss Louise Koeppel of Chicago, who is the guest of Mrs. Eldon W. Irvin, received the guest favor. The assisting friends were Mrs. William F. Phares, Miss Miriam Gray, Mrs. Leonard Gray, Mrs. A. B. Allen, Mrs. S. G. Gillam, Mrs. Charles Wadley, Mrs. Fayette Bellows and Miss Clara Sturm. Chrysanthemums and autumn garden flowers formed the house decorations and yellow and white prevailed in the appointments of the two-course luncheon which was served at the close of the game. The small tables were centered with yellow candles in crystal sticks, tied with white tulle. The out-of-town guests were Miss Koeppel, Mrs. G. E. Alexander of Medicine Lodge, Kan., and Mrs. Stanley Glass of Chicago.

On Friday afternoon the game was played at nine tables and the favor for high score was awarded Mrs. Henry A. Foster. Mrs. John Bellows of Chicago, who is a guest of Mr. and Mrs. C. D. Bellows, received the guest favor. Assisting the hostesses were Mrs. Kyle P. Phares, Miss Miriam Gray, Mrs. Leonard Gray, Mrs. C. D. Bellows, Mrs. J. S. Shinabargar, Mrs. T. L. Wadley, Miss Mildred Shinabargar and Miss Mae Corwin.

To See "Abraham Lincoln."

A number of Maryville persons went to St. Joseph today to attend the matinee and night performances of "Abraham Lincoln," by John Drinkwater. Among those going down were Mr. and Mrs. Henry A. Foster, Mr. and Mrs. W. A. Riekenbrode, Miss Nell Hudson, Miss Mabel Todd, Miss Mary Wooldridge, Miss Katherine Carpenter and Clarence Vogt.

For Mrs. Cook.

Mrs. J. T. Linville entertained with a cozy this afternoon at her home on West Second street in honor of her daughter, Mrs. Clarence Cook, of Kansas City, Kan., who is the guest of Maryville relatives. The guests included the members of the Pi Epsilon Pi Sorority of which Mrs. Cook is a non-resident member. They were Mrs. W. J. Montgomery, Mrs. Martin Lewis, Jr., Mrs. Clifford M. Hull, Misses Elizabeth Leet, Mary Wooldridge, Marie Wright, Virginia Robinson, Marguerite Cummins, Mabel Cook, Ora Mae Condon, Margaret Remus, Alice McMurry, Alice Welling and Mildred Shinabargar.

Entertain Bridge Club.

Mr. and Mrs. Edward W. Gray were hosts to the Friday Night Bridge Club last night at their home on North Frederick avenue. The favor for high score was won by Richard Collins. The club members are Mr. and Mrs. Frank Cummins, Mr. and Mrs. Sherman Montgomery, Mr. and Mrs. Marve Curnutt, Mr. and Mrs. Murray Welling, Mr. and Mrs. Arthur Brewer, Mr. and Mrs. Richard Collins, Mr. and Mrs. Don Martin, Mr. and Mrs. June Blagg, Mr. and Mrs. Halley Ford, and the hosts. Additional guests last night included Mr. and Mrs. Dale Bellows, Mr. and Mrs. Forrest T. Gillam and Miss Virginia Robinson.

Duncan-Conn Wedding

The following account of the wedding of Miss Inez Duncan, a student at the State Teachers College last year, and Dorse Conn of Ravenwood is taken from the Denver, Colo., West Side Hustler:

"Miss Inex Duncan, formerly of Sheridan, Mo., and Mr. Dorse Conn of Ravenwood, Mo., were united in marriage Wednesday afternoon, October 11, at 3.30 o'clock, at the Central Christian church. The ring ceremony was performed by Rev. Lela C. Davis.

A wedding supper was served at 6 o'clock at the home of the bride's uncle and aunt, Mr. and Mrs. J. W. Henry, 655 Santa Fe Drive. After the supper the groom entertained the guests with a theater party at the Empress.

The bride is a graduate of the Sheridan, Mo., High School, and was a student at the State Teachers College of Maryville, Mo., last year. She is also one of Missouri's successful teachers. The groom is the son of W. A. Conn of Ravenwood, Mo., and is associated with his father in the hardware business. Mr. and Mrs. Conn will be at home after October 31, at Ravenwood, Mo."

Sophomore Reception.

The Sophomore class at the State Teachers College entertained last night in the College library with an informal reception and dance for the faculty and students of the College and for the Bearcats and the visiting Central Wesleyan team. A grand march was the first thing on the program. After the guests had marched in twos, fours and eights the men were placed in one line and the women in another and then the march began with one line going one way and the other in the opposite direction. When the music stopped the men and women facing each other were to talk on topics which were announced. After the grand march, dancing was the feature. Music was furnished by the DeLuxe Novelty Orchestra. Dancing lasted until 10 o'clock.

Epworth Club Meets

The Epworth Club of the First M. E. Church met last night at the home of Mrs. M. Rittenour on North Mulberry street. An enjoyable evening was spent and a lunch supper was served by the refreshment committee composed of Mrs. M. Rittenour, Mrs. George J. Moore, Mrs. E. M. Houchens, Mrs. W. W. Ramsey, Mrs. C. C. Corwin, Mrs. W. W. Stiwalt and Miss Mabel Gay. Mrs. E. M. Houchens, president, called the meeting to order and Miss Dena Hartman led the devotion. An interesting part of the evening was the telling by each of the members how they raised their share of the fund for the Ensworth Hospital at St. Joseph.

The members present were: Mrs. E. M. Houchens, Mrs. J. P. Price, Mrs. W. W. Stiwalt, Mrs. John Vert, Mrs. C. C. Corwin, Mrs. W. B. Hanna, Mrs. S. O. Keever, Mrs. J. F. Montgomery, Mrs. George Moore, Mrs. Robert Aley, Mrs. Tabler, Mrs. George Lucas, Mrs. Florence Westfall, Mrs. M. Rittenour, Mrs. Verne Wray, Miss Mabel Gay and Miss Dena Hartman. The visitors were Mr. Rittenour and Frankie Westfall.

Oakwood Society Meets

The Oakwood Literary Society met last night with Sarah, Thelma, William and Roland Garrett at the home of their parents, Mr. and Mrs. Charles Garrett. The evening was spent with a wiener roast, playing games and enjoying music. The members and guests present were: Misses Leora Willhoyte, Sarah Moore, Dorothy Babb, Pearl and Vera McGinnis, Dora Ashford, Alice Cary and Milton Tilman, Thurman Ashford, Martin and Dale Babb, Sam Flood, Dale McGinnis, James and Martin Wagner, Oren Garrett, Mr. and Mrs. George Myers and daughter, Ruth Margaret.

The next meeting will be held in two weeks at the home of Mr. and Mrs. Ed Babb.

TROUBLE NOT PHYSICAL ONE

Dan Cupid Alone Responsible for Heart Affection Which Caused Pretty Girl Suffering.

The young woman, traveling in company with her stern-looking father, was evidently not in the best of health. She was decidedly pretty, but her cheeks were pale.

The kind—if inquisitive — passenger sitting opposite leaned forward and addressed the stern parent.

"Your daughter seems very ill," he remarked, sympathetically.

"Yes, sir," replied the father; "she suffers sadly."

"Consumption, I fear?"

"No, sir; I am sorry to say it is an affection of the heart."

"Dear me! Aneurism?"

"Oh, no! Only a lieutenant in the navy!"

SPIDER ROSE TO OCCASION

Hard to Deny Reasoning Power to Insect Capable of Such "Constructive Reasoning."

A spider constructed its web in an angle of a garden, the sides of the web being attached by long threads to shrubs at the height of nearly three feet from the gravel path beneath. Being much exposed to the wind, the equinoctial gales of the autumn destroyed the web several times.

The ingenious spider now adopted a new contrivance. It secured a conical fragment of gravel, with its larger end upward, by two cords, one attached to each of its opposite sides, to the apex of its wedge-shaped web, and left it suspended as a movable weight to be opposed to such gusts of air as had destroyed the webs previously occupying the situation.

The spider must have descended to the gravel path for this special object, and, having attached threads to a stone suited to its purpose, must have afterward raised this by fixing itself upon the web, and pulling the weight up to a height of more than two feet from the ground, where it hung suspended by elastic cords.

Peculiar Accident.

One very warm evening in 1886 an Ontario man walking home from work encountered a swarm of sand flies, one of which he thought had got into his eye. When he arrived home his eye was swollen and very sore. The next morning he was obliged to go to the doctor, who extracted the head of a pin from the man's eye. Several years after, this man's wife cut up the coat he had been wearing when he got the pin in his eye, when out dropped a pin minus the head. The only solution is that the tailor had forgotten to remove the pin while making the coat and had cut the head off with his shears. When the man gave a quick jerk to brush away the flies the head must have worked through the cloth and was thrown into his eye. The pin was in the left sleeve and the man was left handed.

Ghost Kept Coal Mine Unworked.

The Fushun coal mine of China is one of the largest open-cut mines in the world. The Tartars are known to have worked the mine in the Twelfth century.

For years the Chinese officialdom has always pointed to the fact that the spirit of Tai-Tsu-Kao, a Manchu emperor, who was buried 10 miles away in the Seventeenth century, must not be disturbed. Thus for centuries superstition kept over 1,000,000,000 tons of coal untouched. In their efforts to open the mines, the Japanese not only found great official hostility to their scheme on the part of Chinese officials, but even the native coolies were reluctant at first to work, through their fear of their sleeping Tai-Tsu-Kao, 10 miles distant.

ANNUAL COTTON PALACE EXPOSITION AT WACO, TEX.

Waco, Tex., Oct. 21—The annual Cotton Palace Exposition opened here today. Pat Neff is scheduled to be the principal speaker in connection with the ceremony. The yearly parade is scheduled to start at 10:30 o'clock this morning.

BOX SUPPER AT THE KNABB SCHOOL A BIG SUCCESS

Eighty Dollars Realized from the Sale That Was Held Last Night

A box supper was held at the Knabb school house last night. A program was furnished by the pupils of the school under the direction of Miss Grace Tebow, the teacher. The box of candy for the prettiest girl was awarded Miss Mona Marie Everest. About $80 was realized from the social for the school.

The following program was given:

School song, "October."

Recitation, "Crossness" — Maxine Hardesty.

Dialogue, "Entertaining Sister's Beau," by Mary Walter, Virginia Hardesty, Vivian Hall and Theodore Cockayne.

Recitation, "Work"—Byron Walter.

Recitation, "My Mother's Scolding"—Vilas Cockayne.

Vocal solo, "Call Me Back Pal of Mine"—Mrs. Karl Zimmerman.

Exercise, "Busy Workers" by nine children.

Recitation, "The Reflection of Bobby—Why?"—Henry Zimmerman.

Recitation, "Obedience" — Robert James Sawyers.

Dialogue, "Harry's Pockets"—Beulah Sawyers and Theodore Cockayne.

Recitation, "His Ambition"—Floyd Vert.

Exercise, "Looking Forward"—Theodore Cockayne and Beulah Sawyers.

Recitation, "Edwin's Ambition"—Junior Nicholas.

Dialogue, "Mrs. Brown's Visitors"—Beulah Sawyers, Mary Walter, Virginia Hardesty and Vivian Hall.

Reading, "At the Opera" — Miss Wilma Hall.

Piano solos, "Crescendo" and "Berceuse" by Mildred Tebow.

PARNELL HAS TWENTY-THREE IN ITS PIG CLUB

Parnell has twenty-three boys and girls in its pig club. The breeds of pigs are Chester Whites, Spotted Poland Chinas, Black Poland Chinas and Durocs. The members of the club and the breed of their pigs follows:

Chester Whites—Edna Porch, Bertha Riley, Ruby Riley, Carl Riley, Merrill Riley, Lavetta Myers.

Spotter Poland Chinas—Ervin Auffert, Jonnie Auffert, Loren Garrard, Harley Garrard.

Black Poland Chinas—Harold Hilton, Ralph Hilton, Leota Harris, John Kennedy, Clarence Hutchinson.

Durocs—George Giesken, Pauline Jones, Horace Jones, Frederick Briet, Rolla Lyle, Harley Lyle, Kenneth Constant, Gerald Boedecker.

GETS LIFE IMPRISONMENT INSTEAD OF DEATH SENTENCE

Atlanta, Ga., Oct. 21.—Mrs. Lou Vinson, convicted and sentenced to death for the murder of her husband last March, escaped the gallows today when she appeared in court and pleaded guilty. She was given a sentence of life imprisonment.

Miss Louise Peery went to Trenton Thursday to spend the week end with her sister, Miss Alice Peery, a member of the high school faculty.

LOST—An 18 inch square of brown wool crepe. Return to Mrs. Ed Hamlin, Hanamo 5579. 21-24

ROSEBERRY GIVES HIS R. C. REPORT

Continued from page 1

The speakers, Miss Boardman, Mrs. August Belmont, Sir Claud Hill, Dr. A. Ross Hill, Dr. Farrand president of Cornell University, General Pershing and others all made much of the work that had been done by the Red Cross and urged us on the greater service in the future.

The thought was brought out that the Junior Red Cross was a great institution to teach to the children of all Nations the spirit of Red Cross which is putting into practice the Golden Rule in service.

This work can not be done by any other organization either religious or political because of the limits that surround all other organizations, The Red Cross is world wide in its scope of action and can be the greatest influence in the world to bring peace by creating in the minds of the children of the world the spirit of Red Cross.

We want to offer a grogram for the future action of the Nodaway County Red Cross and we hope that the workers all over the County will get under this program and help put it across with the same pep that we had during the world war.

We must continue the service to disabled veterans of the World Wars and their families and this must continue until the last man has been served for this is the only way that we can pay the debt that we owe to the men that made the great sacrifice that we might enjoy peace.

Under the head of emergency relief we feel that this chapter must measure up to the standard of the work of World War times and we must start the needles of the county in the interest of the people in distress in the Near East and in every way we can we must organize to help the National Red Cross in its program at Athens for the relief of the Near East.

Under Local Disaster relief we should organize a local band of workers so that in case of a disaster in Nodaway County the well trained workers would know what to do and every one would know how to set this organization into operation, so that the most efficient work could be done in case of emergency.

Under Junior Red Cross work we are convinced that we should organize the best Junior R. C. to be found any where and we will not take time to go into the method of organization but only to urge the necessity of this Junior R. C.

Under Nutrition work we will say that we should have a nutrition worker Come to this County in accord with the letter received from head quarters.

Under Volunteer Service we wish to say that we believe that the women should be asked to give some of their time to the Red Cross each week in the different departments that we decide to establish as above stated.

And now we come to the much discussed Roll Call and we think that it was well considered at the convention.

A resolution was put to the convention to have the Executive committe seriously consider the matter of the 50-50 division between N. R. C. and Local Chapter.

Judge Payne said the following: there have been many changes in this matter but I will not go into that but since we only get 50 cents out of every membership I want to warn you that if you keep whittling at the roots of the tree it will fall.

What we want is publicity. I have reduced the expense over half and we must have the 50 cents if the National R. C. is to live and without the N. R. C. the Chapters can not live.

What we want is to get members to the Red Cross that believe in Red Cross because it has done so much for humanity and will still do much for the people of the earth from every land.

Every loyal American should be proud to give his dollars to the greatest mother of all nations and any one should be ashamed not to be a member of an organization that is international and has for its chief purpose the helping of humanity in distress.

There is much more that we could bring to you at this time but we feel that if you want to know more about this great convention we could furnish you with the detailed account and you could post yourself at your leisure.

Respectfully submitted
G. B. Roseberry, Chairman.
Miss Betty Turner, Exec. Sec.

Mrs. W. A. Riekenbrode returned last night from Topeka, Kan., where she had been visiting her father, William Beauchamp, and other relatives for two week.

What you want to know about

The STAR CAR

The car is powered, as before stated in these columns, by a four-cylinder engine with cylinders of L head type, detachable head, bore 3⅛ in., stroke 4¼. The piston displacement is 130.4 cu. in. The cylinders are in block with the upper half of the crankcase. The valves are 1¼ in. with a 5-16 in. lift. The piston and connecting rod assembly can be removed through either the top or the bottom of the engine. The front crankshaft bearing is 1 5-16 in. long, the center 1 9-16 in. long and the rear 2¾ in. long, all of 1½ in. diameter. The camshaft has three bearings and is removable from the front of the engine, the bearing diameters being progressively smaller towards the rear.

Cooling is cared for by a Fedders radiator, honeycomb type, a 16-in four-blade fan, and a water pump. Lubrication is force feed with the oil pump driven from the rear of the camshaft. Oil is forced through the camshaft to all its bearings and also to holes drilled in the case to the main crankshaft bearings, and thence to the connecting rod bearings. Carburetion is cared for by a 1 in. Tillotson.

The clutch is a single plate, dry disk, enclosed in the flywheel and removable without disturbing the engine or gearset, the latter being mounted amidship. Drive to rear is by shaft. Axles are Timkens, the rear being three-quarters floating. Timkens bearings are used in both front and rear axles. Brakes are external contracting and internal expanding on 10 in. drums. The springs are semi-elliptic, 34 in. long at the front and 48 in. long in the rear. Tires are 30x3½ Fisk Premier.

The steering gear is a Warner, semi-irreversible, worm and gear type, with ball thrust bearings. The wheel is 16 in., with horn button on top. Gasoline supply is from the 11½ gal. tank at the rear with Stewart vacuum feed system. The wheelbase is 102 in. The car is controlled from the left side with hand levers in the center, and accelerator mounted on the toe board.

The bodies are streamline and the open models have one man tops. The radiator is well rounded and the cowl is level with the hood. The touring car has a tilted windshield and the fenders are crown type.

The seats are tilted. A spark control and auxiliary gas lever are located on the instrument board, together with the ammeter and oil gage, ignition and lighting switches. The windshield is adjustable top and bottom and has rubber weather extensions. The rear curtain has a plate glass window, and top curtains are carried in the front seat. Complete equipment includes National headlight lenses, tire carrier and license holder. Runabout has a rear deck with large luggage compartment equipment same as touring car.

The coupe model has a low top, streamline hood, and provides comfortably for two passengers. Behind the seat is a compartment for luggage and in the rear deck is another compartment. The upholstery is wool broadcloth. The doors are mounted on three hinges with double latches and anti-rattlers. The wide windows are adjustable. Included in the equipment is a windshield visor. Starting equipment and demountable rims are standard on this model.

The sedan accommodates five passengers. It sets low, with level top and broad windows. Doors are similar to those of the coupe but are four in number. Remaining details are the same as those of the coupe.

SOME CALF CLUB MEMBER TO GET FREE TRIP TO CHICAGO

The One Who Has Best Record and Story to be Sent to International Stock Show

The member of the Nodaway County Calf Club who has the best record book on caring for his calf and who has the best story regarding his work in looking after the animal is to be entitled to a free trip to the International Stock Show to be held this fall in Chicago, according to a letter that has been received at the office of the farm bureau in Maryville from H. M. Garlock.

Several of the members of the club, the calves of which were sold in St. Joseph two weeks ago after they had been judged in the big show held there, wrote interesting narratives regarding how they cared for their calves. They also kept records of the feed that they gave the animal and how they cared for it.

The ribbons for the members of the club entitled to them and the premium checks were being mailed out from the farm bureau office yesterday.

SWISS FARMERS TO COME TO AMERICA

Cheese and Butter to Be Made on Farms to Be Taken Up in Colorado.

Denver, Oct 21.—From the peaceful valleys and slopes of the Swiss Alps to the rugged hills of the Colorado Rockies will be the transition of several hundred Swiss farmers, if plans under way here mature.

Negotiations for securing thousands of acres of farm land in Moffat and Routt counties, Colorado, are being conducted by representatives of young Swiss farmers who desire to emigrate to the United States and take up the manufacture of cheese and butter in the Western mountain country.

The plan is expected to result in the colonization of much land not only in Colorado, but also in the valleys and mountain sides of Utah and Wyoming.

With the opening of the Moffat Tunnel, which will afford transportation facilities to thousands of square miles of rich farm land on Colorado's Western slope, it is expected the colonization movement of the Swiss farmers will result in rapid and intensive cultivation of great areas of farm land.

SWAMP WESLEYAN BY 37 TO 0 SCORE

Continued from page 1

twenty-five yards. Another pass Barclay substituted for Palmer. Foreman hit the line for one. End around end lost two yards. Maryville lost ball on downs after Webb was penalized fifteen yards for using his hands. The half ended.

Third quarter—Maryville kicked. Wesleyan returned ten yards. Wesleyan hit the line for two yards and then forward passed. Beck intercepted the pass. Webb gained twenty yards on end around end. Leech skirted left end for a twenty-five yard run to a touchdown but Maryville was off-side and the score did not count. Warrenton took the ball and opened up on forward heaves. A flip to Rincheart netted twenty yards. Two other passes were knocked down and it was Maryville's ball on her thirty yard line. Webb punted and then ran down and made the tackle. Maryville was penalized fifteen yards. Wesleyan's ball. Webb intercepted a forward pass. End around end gained five yards. Cross back pass to Web gained twenty yards. Wilson hit off tackle for a touchdown. Beck failed to kick goal. England replaced Leech at half. Maryville kicked off and quarter ended with ball on the Wesleyan forty-eight yard line. Score —Maryville 25, Wesleyan 0.

Fourth quarter—Thompson was substituted for Young, England for Palmer and Hayes for Graham. The ball was played back and forth over the field for five minutes. Eaton was substituted for England, and Barclay for Akars. Onpening up on forward visiting her mother, Mrs. Collins and passes Maryville worked the ball down the field and Wilson went over for a touchdown. Beck failed to kick goal. Allan was substituted for Webb and Webb for Beck. On an exchange of punts the ball was in Wesleyan territory and Maryville by use of a spread formation worked the ball down to the ten yard line. Two line bucks by Foreman and an end run by England brought the ball to the one-yard line. Webb went over for the final touchdown on a quarterback sneak. This ended the scoring and the game ended one minute later. Final score—Maryville 37, Warrenton 0.

The line ups—Maryville: Allan, le; Messmer, lt; England, lg; Kirby, c; Graham, rg; Akars, rt; Webb, re; Beck, qb; Foreman, fb; Wilson and Leech, hb. Hays was substituted for England.

Wesleyan: Lindermyer, le; Buchman, lt; Steinman, lg; Liese, c; East rg; Wieffenbach, rt; Rinehart, re; Niehuss, qb; Duewell, fb; Schniepp, hb; Schaffner, hb.

R. C. Lanke of Northwestern University, referee; E. S. Wiley of Iowa State College, umpire and Dr. Karl Mallote, headlinesman and timekeeper.

Several surprises came in the Missouri Intercollegiate Athletic Association yesterday. The most notable was the defeat of the Rolla Miners by Missouri Wesleyan. The score was 14 to 3.

Culver-Stockton, a team so far not acknowledged as strong held the Kirksville Bulldogs to a scoreless tie.

Missouri Valley College continued its romp toward the pennant when Westminster went down to/a 46 to 7 count at Marshall.

Drury and William Jewell played a scoreless game and Central College won from M. M. A. by a score of 28 to 7.

MAGAZINES DONATED TO "HARD-UP" BERLIN

Berlin, Oct. 21.—Berlin State libraries are compelled to cut down their expenses for subscriptions to foreign periodicals to a minimum, owing to the unfavorable exchange situation.

While in 1914 some 3,000 foreign periodicals at the price of about 35,000 marks were at hand in the reading rooms there are only 200 periodicals available at the present time, which cost the Government about 80,000 marks.

In this plight of German science the activity of Professor Franz Boas, of Columbia University, U. S. A., proved great and welcome help. Through his unabated efforts the American scientist got the "Germanistic Society of America" and the Widbar Institute of Anatomy and Biology," of Philadelphia, to send their publications to Berlin University free of charge.

TIME TO PUT LIME ON SOIL

Fall Application Allows Months for Correction of Acidity

Ames, Iowa, Oct. 21—Fall is the best time to apply lime to any soil, say the experts at Iowa State College here. Roads are in the best condition for hauling lime to the fields, and the fields themselves are in the best condition for spreading the material. Fall application allows several months' time for the correction of acidity before the crops are planted. However, if plowing is to be done before seeding the lime should be postponed or the lime will be turned too far under to do any immediate good.

Limestone corrects acidity, furnishes valuable calcium to the crops, makes fertilizers more effective to the soils, and favors bacterial growth making plant food more available.

In time lime will improve even the heaviest of soils, the Ames men declare. About 75 per cent of Iowa soils are at the present time in need of lime if clover and alfalfa are to be grown successfully, they state. The east half of the state especially is in need of lime, 90 per cent of the soil from this section showing a lack of the substance.

Mrs. F. M. Petty, who has been visiting friends and relatives in Maryville left yesterday afternoon for Topeka, Kansas, where she will visit at the home of O. L. Smith before returning to her home in Cleveland, Ohio.

Notice of Change of Name.

Notice is hereby given that on the 21st day of October, 1922, the circuit court of Nodaway County, Missouri, by its judgment and decree, ordered and adjudged that the name of the undersigned, be changed from Florence M. Getchell, to Florence M. Shrubshall.

Florence M. Shrubshall.

News From Over The County

Burlington Junction Post

Mrs. Nancy Jane Graves, a former resident here, died at her home in Council Bluffs, Iowa, on Sunday, October 15. She was past 64 years of age, and had been sick for sime time. The body was brought here yesterday and burial was made at Quitman, a short service being conducted at the grave by Rev. E. P. Taggart. Mrs. Graves was a sister to Mrs. Frank Cole, Robert and Lem Timmons of this place.

Henry Nicholas of southeast of town suffered two broken ribs as the result of a fall Tuesday. He fell from a load of fodder which he was hauling from the field.

Miss Audrey Howendobler of Kansas City is visiting this week with Mrs. M. Carter.

Two accidents reported last week resulted in injuries to children. The small son of Mr. and Mrs. Arthur Porter of south west of town fractured his collar bone as the result of a fall, and Bernice Dawson, also of southwest of town received a broken leg when a truck in which she was riding with her father overturned. They are both reported as recovering nicely.

Miss Millie Kester returned Thursday from a visit with relatives at Kalamazoo, Mich. She was accompanied home by Mrs. H. R. Kester of Los Angeles, California, who will visit here for several days before returning to her home.

Mrs. Nate K. Manning and daughter, Geraldine of Colorado Springs, Colo., left yesterday morning after a visit of several weeks here among relatives. They will visit in St. Joseph a few days before returning home.

Miss Huidah Barber left Saturday for Oklahoma City, Oklahoma, to resume her studies in the conservatory of music at that place.

Joe Hunter of Quitman broke an arm Friday morning when his team ran away with him. He was thrown from the wagon, and suffered a compound fracture of the forearm. He was taken to St. Francis hospital at Maryville for treatment.

Barnard Bulletin.

After a long period of time, involving many difficulties and some ill feelings, the ground floor of the I. O. O. F. building has been let to the owners of the picture show company for a period of five years, the contract being signed on Tuesday morning by the trustees of the lodge, J. F. Tulloch, Wm. Rhoads and Robert Hagan.

J. R. Strader, formerly manager of the Farmers Elevator Co., in Barnard and later manager of the Farmers Exchange at Maryville has accepted a position as manager of the Exchange at Maitland. Mr. Strader began his work with the Farm Club movement in Barnard in February, 1918. The charter under which it is incorporated was secured while he was here on August 6, 1918. He left the work here to take a similar position in Maryville which position he held one year. For the past eight months or more he has been selling hog powders and insurance.

John Cotter has rented the Homer Stalling farm, located east of town and will move there March 1. Stalling has not determined just what he will do the coming year, but will probably go west.

Hopkins Journal

Through the agency of Robbins & Fike, Sam Pratt this week traded 160 acres of his farm, six miles southeast of Hopkins to Ed Caudle for residence property in Ft. Morgan, Colo., the land being taken at $20,000 and the Caudle residence at $5,000. Mr. Pratt still owns an 80 acre farm and we are glad to know that he will not leave here, and the chances seem favorable for regaining the Caudle family that left here a few years ago to locate in Ft. Morgan although Ed will not admit that he is coming back, but here's hoping he will.

Albert Riley, of Proctorsville, Ohio, is a guest in the home of her niece, Mrs. Frank Lock. He left here 28 years ago and notes many improvements in Hopkins since that time.

John Flowers, who was doing mason work last week on the I. S. Dickerson farm east of Hopkins, reports having ripe strawberries for dinner one day while he was there, Mrs. Dickerson gathering a lot of nice ones from her everbearing patch, and with good country cream they made a dish that the average town man is seldom permitted to enjoy, especially in October.

Eighteen calves were castrated Monday for Lowry & Pistole, and the following day, six of them died, an infection having set in no doubt caused by poison from the knife. Anyway, they died and it is quite a loss as all were big early full blooded Polled Angus calves, ones that were perhaps worth fifty dollars apiece. The calves were operated on by Mr. Lowry.

Mr. and Mrs. Charles McIntire leave Thursday for VanCouver to visit their sons and from there will go to California to spend the winter.

Elmo Register.

Fred Bain is building a show room at his garage, for accessories and to house fine autos. It will be neat and convenient. Earl Ablaich is the architect.

Mrs. H. B. King was able to be brought home from Clarinda Saturday. She has almost entirely recovered from her operation.

Tod Johnston came Saturday night from Tingley, Iowa, to see his brother, Wm. Johnston, who is quite ill.

H. R. Peery, wife and baby, and Mrs. Ann Neff, left Friday morning for Shelbina, Mo., for a visit of a few days with Rev. and Mrs. Hugh McClellan, former pastor of the Christian church here. They expected to return Tuesday. Mr. McClellan is pastor of the church at Shelbina.

Clearmont News.

Mrs. Ross Wallace has been sick with typhoid fever for the past week. She is reported as getting along nicely at present.

Mr. and Mrs. Walter Pollock are enjoying a visit from their cousins, Mr. and Mrs. George Goodell of Kellerton, Iowa. Mr. and Mrs. Goodell are the owners of the Fair-View stock farm and are breeders of Hereford cattle.

Skidmore News.

All plans have been completed for the free chicken supper which will be served to the public Saturday evening by James Harvey Hughes Post of the American Legion. Preparations are being made to accommodate a large crowd. The supper will be free, and members of the Post extend a cordial invitation to the entire community to be present.

Several feeders who have shipped cattle in recently have lost a few of them on account of disease contracted while in the stock yards at Kansas City. O. D. Hardman and George Stevenson are each reported to have lost two, and Earl Stevenson and John Carter lost one each.

A. C. Dodds returned last night from a week's visit in Illinois. Mr. Dodds is thinking of taking the agency for radio receiving sets.

Mrs. J. E. Pierpoint drove the car to Columbia, Mo., Tuesday of last week for her son, Douglas Haynes, who is attending the University of Missouri. She returned Monday evening.

Miss Rozellah Margaret Singleton celebrated her third birthday at the home of her grandparents, Mr. and Mrs. Robert Barrett, Sr., Monday. A 3-candle cake was baked for the occasion. Her sister, Mary Bridgetta, and brother, Jesse Robertson, also shared in the celebration.

Ravenwood Gazette.

Andy Slagle left Friday for Alton, Kansas, to visit his son, Wellington and wife, but more especially to make the acquaintance of his little granddaughter, Ila Margaret Slagle.

Mr. and Mrs. Charles Bailey left Friday for Fredonia, Kan., where they will spend the next two weeks visiting at the home of Mr. Bailey's sister, Mrs. Robert Cook and Mr. Cook.

Mr. and Mrs. C. G. Proctor and children, Geneva Kathryn and Joey, of Colorado Springs arrived here overland Sunday for a short visit with Mrs. Proctor's parents, Mr. and Mrs. Isaac Barton.

Mrs. E. D. Lawson returned Thursday from a visit of two and one-half months at Louisville, Ky., Cincinnati, Ohio, and Springfield, Illinois.

Conception Courier.

Mr. Thompson has planned a basketball tournament to be played between the different grades of the school. The first game will be between the eighth grade and the Junior boys. The second game will be between the Freshmen and the Sophomore boys. The winners of these two games will play the final game to determine the honors.

The Parents-Teachers Association will hold a meeting at the public school building, Friday evening, Oct. 20, at 8 o'clock. Dr. Fryer, county physician, will be present, and a good attendance is requested.

C. D. Nathman, who underwent a serious operation for appendicitis at St. Joseph's hospital, in St. Joseph, last Friday is, according to reports, recovering nicely.

Parnell Review

A drama under the auspices of the Willing Workers will be put on Thanksgiving evening. The title is, "Safety First," has ten characters, and will be managed by Mr. and Mrs. E. J. Klaas.

Mr. E. Rockhold and daughter, Miss Georgia of Bainbridge, Ohio are guests at the Felton home. Mr. Rockhold is an uncle of Mr. Felton. They have been attending the G. A. R. Encampment at Des Moines, and will not visit here for a couple of weeks.

Mr. B. A. Jones returned Monday from Chicago bringing several horses with him to put in training for the winter campaign in Havana Cuba. He reports a very successful meeting in Chicago. Several of the colts raised on his farm doing wonderful work at that place.

Guilford Times

Mrs. Ida Black and daughter of Los Angeles, California visited from Friday till Monday at the home of Mrs. Black's parents, Mr. and Mrs. Bert Sherry. They have been visiting this fall at St. Louis and other places. They started Monday on their homeward trip.

Oakley Anderson, so not R. P. Anderson and who has been working near Maitland this summer, and Miss Ruth Morgan of Mound City were married in Oregon, October 10, and are here this week visiting his father and other relatives.

Mr. Folk of Stanberry, a band leader, is employed to teach and conduct the Guilford Band practice every Monday night. This week was his third trip. It begins to look like Guilford is going to have a real live band soon.

Mrs. George Craig and little daughter of Geraldine, Montana are here visiting her mother, Mrs. Collins and taking care of her. Mrs. Collins is in poor health at present.

NODAWAY SCHOOLS START CREDITABLY

MOST HAVE TEXTBOOKS AND ARE GOING WELL.

SUPERVISE PLAYGROUNDS

Report Also Contains Improvements Which Different Ones Have Made on Buildings and Grounds.

County Supt. Leslie G. Somerville reports that Nodaway County schools are starting off in a very creditable manner and in most schools the pupils now have their new textbooks and have their work well under way. In most instances the teacher has her work so well organized that she spends most of her time on the playgrounds at play periods where efficient supervision of play is directed.

Several schools are already practicing on activities to be given while moving pictures are taken. These include cement work, children arriving and departing from consolidated districts, health exercises, use of modern playground equipment, demonstration of supervised games, field excursions and practical experiments being carried on by the Agriculture work of the school, folk games, etc. Mr. Somerville is making up a list of activities that will be useful in the Nodaway County school film, however it is expected that each teacher will use their own ideas as to the activity best suited to their school. Each school should give an activity that has an educational value not only to themselves but to those who will see the pictures in other districts. Following is a copy of a letter that County Supt. Somerville has mailed each teacher:

Dear Teacher:

I am writing to every rural school teacher in Nodaway County, hence this circular letter. Please take this as a personal affair because this subject, the building of a Nodaway County School Film, is one of the biggest forward steps in educational work that has been started for a long time—and naturally Nodaway County is the one to start it.

The plan was to see each school teacher individually as I made the regular visits of inspection, but that would be a slow process, and since so many teachers are asking for the pictures I feel the film should be hurried up so that what is already taken and what can be made soon can be shown during the winter months.

In order that you can begin making arrangements to have your school represented in this Nodaway County School Film, I will give you briefly the plan of carrying out this work.

Arrangements have been made with the Marcell Studio here for a special price, below an already low price he was making Nodaway County folks, to take pictures of Nodaway County School. This means taking the picture of school house, and activity of children will cost your school only $17.50, which at the regular rate, would be $25.00. This will include titles, the picture of building, and activity of children.

Already a number of schools have decided to raise the money and have the pictures of their school made at once. You can greatly assist in this work by notifying me that you have raised the money, and I will arrange the date for Mr. Marcell to come and take the pictures.

If you have not decided what sort of an activity you want taken at your school I will be glad to send you a list of suggestions.

Mr. Somerville reports the following recent improvements found in the rural schools:

Plum Grove school, Mrs. Leota Waldroff teacher, have painted all buildings and added new library books.

Lone Elm school, Miss Gladys Keever teacher, have repaired the toilets, and added new wash pan and towels.

White Lily school, Gerald D. Koger teacher, have added new maps, globe and library books.

White Chapel school, Mattie Hutcheson teacher, have built new coal house, added new seats, teacher's desk, shades and new records for Victrola.

North Prairie school, Ada Lawson teacher, have built a new porch and vestibule, painted rooms and painted all buildings.

REMAINS CAPITAL OF MUSIC

Vienna, in All Its Vicissitudes, Still the Beloved Center for the Real Lovers of Melody.

In starving Vienna the great hunger is still for music. After desperate years of struggle the capital on the blue Danube remains a musical center, a mecca for artistic pilgrims, says the Living Age.

Lovers of music have regretfully speculated as to what might be the ultimate fate of the city where Mozart, Beethoven, Brahms, Gluck and the waltz kings of opera composed their masterpieces. Dr. Julius Korngold, in the London Morning Post, holds out some hope.

The opera, under the combined direction of Franz Schalk and Richard Strauss, is giving, as a rule, the best performances in the world. The only drawback is that the presence of Strauss brings back the "star" system, which had been banished from Vienna for some decades. The opera is even jestingly referred to as "Richard Strauss' theater."

Then, too, Frau Jenitza has left for New York, and Lotte Lehmann has gone to Argentina. However, the orchestra, under the direction of Felix Weingartner, is unsurpassed and continues to give its eight Philharmonic midday concerts. And in its magnificent opera house Vienna has a superb setting for the performances.

WHY TERMED 'NAVAL STORES'

Centuries Ago Turpentine and Rosin Were Imported into England for Ship Purposes Only.

"Naval stores," translated into everyday English, simply means turpentine and rosin.

The earliest mention of the turpentine and rosin industry in the United States is found in an old manuscript under date of 1610, which may be seen in the public record office at London. It is entitled "Instruction for suche things as are to be sente from Virginia."

"Hard pitche," "Tarre," "Turpentine" and "Rozen," are also mentioned in the "Booke of the Commodities of Virginia," which, it is presumed, was issued about the same time.

Pitch and tar were the chief products of the industry up to the middle of the Eighteenth century. This extensive use in the construction and maintenance of sailing vessels caused them to be called "naval stores," the term which is now applied to the turpentine and rosin industry, which has supplanted the old-time production of tar and pitch.

Paradoxical, Indeed.

In acting as toastmaster at a recent function of the Washington real estate board, Thomas Bradley was confronted with the duty of expressing the board's regret that Major Carey H. Brown was relinquishing his post as executive officer of the district zoning commission, and its pleasure that Major Wheeler had been assigned as Major Brown's successor.

"Whenever there is one of these leave-taking and welcoming affairs, I am reminded of the time that Dr. Wellington Koo, noted Chinese diplomat, brought home forcibly the paradoxical peculiarities of Americans, as he termed it," Mr. Bradley began. "It was on the occasion of a board of trade outing in honor of a retiring district official and his successor, and Doctor Koo had been called on to address the gathering. 'You Americans, I am compelled to conclude, are blithe liars,' he announced with a twinkle in his eye. 'You say you are sorry that one official is leaving, and yet turn around and tell his successor that you are glad he is taking the other man's place!'"—Washington Star.

"Pushball" Played With Autos.

"Pushball," a game which is usually played by men on foot, was enjoyed recently by the drivers of six automobiles and numerous interested spectators, says an illustrated article in Popular Mechanics Magazine. The cars were stripped of windshields and tops, lined up at opposite ends of the field, and, at a given signal, furiously charged the large inflated ball. Although the sport was necessarily rough, considerable skill was evidenced by the different drivers in averting mishaps, and when the game was finished it was found that none of the machines had suffered the slightest damage in any way.

Bert H. Cooper of the College went to Hopkins at noon today.

Mr. and Mrs. Halley Ford left Friday evening for a visit in Kansas City.

PIG CLUB SHOW WAS HELD IN MARYVILLE TODAY.

Robert Porter Wins in the Barrow Class—Were Sold at Auction This Afternoon.

The pig club show was held this morning at the Gray pavilion and the animals judged by Guy Q. McDaniel, county agent of Buchanan County. Some of the pigs looked pretty good and Mr. McDaniel said that he thought that they showed up moderately well.

Robert Porter won first place in the barrow class, Leonard Eickholt first in Poland-China gilt class, Elsie Wright first in the Chester White gilt class, Bobbie Wright first in the Hampshire and Tamworth Class and Kennet Moore first in the Duroc Jersey class.

The others ranked as follows:

Poland-China—Russell Noblet, second; Owen Lewis, third.

Chester White—Pearl Wright, second; Robert Komer, third; Alice Komer, fourth; Robert Porter, fifth.

Hampshire and Tamworth—Adeline Pixler, second; Doris Younke, third; Evelyn Evans, fourth.

Duroc-Jersey—Wilson Dowden, second; R. E. Evans, third.

Barrows—Elsie Wright, second; Bobbie Wright, third; Pearl Wright, fourth.

The pigs were put up at auction this afternoon and sold at the regular monthly sale of R. P. Hosmer.

Leonard Eickholt of Clyde, who won in the Poland-China class on a Spotted pig, gave the following account this afternoon of how he kept the litter from which his pig was chosen:

The pigs were born February 18 and for the first six months were kept with the other pigs and allowed to feed with them. Two months ago they were taken from the other pigs and were brushed and curried and fed. Care was used in getting them to become tame. His prize pig was sold this afternoon for $23.50.

AGRICULTURE FILM DATES FOR THE NEXT TWO MONTHS

Following are the dates for the Nodaway County Agriculture film of the Chamber of Commerce for November and December:

Nov. 3—Liberty school; Wilbur Williams, teacher, south of Union Star school.

Nov. 7—Douglas school; Mrs. Vesta Buck, teacher.

Nov. 10—LaBelle school; Iva Fish, teacher.

Nov. 11—Afternoon, Skidmore Consolidated School Agricultural Fair.

Nov. 14—Maple Grove Church; Miss Bessie McKee made arrangements.

Nov. 17—Fairview school, two miles west of Quitman; Gladys McHenry, teacher.

Nov. 21—Bloomfield school; Elna Scott, teacher; six miles northeast.

Nov. 24 — Common Sense school; Frank Barr, teacher.

Nov. 28—Highland School District, No. 19; Thelma Proctor, teacher.

December 1, Friday—South York Schol, Mary Carlson, Teacher, Teacher will send directions.

December 5, Tuesday—Bloomdale School, Hazel Burke, teacher.

December 8, Friday—Union Valley School, Mrs. Mammie Bird, teacher, east of Skidmore.

December 12, Tuesday—Logan School, 4 miles west and ¼ mile east of Snowball School, Ivan C. Mayfield, teacher.

December 15, Friday—Blackman School, Hazel Moore, teacher, ½ hour program.

December 19, Tuesday—Lone Valley School, Merle Britton, teacher, 9 miles north, 2 miles west and 1 north.

December 22, Friday—North Grove School, Mary Wagner, teacher, 3 miles northwest of Elmo.

December 29, Friday — Bedison School, Mae Davis, teacher.

In Circuit Court.

A motion for a new trial was being argued today in circuit court in the case of the state against Jess Hatcher, who was recently convicted by a jury for violation of the motor vehicle law and was given a sentence of two and a half years in the penitentiary.

The court granted this morning a petition for a change in the name of Florence M. Getchell to Florence M. Shrubshall.

To Preach At Good Hope

Dr O. L. Curl will preach at 11 o'clock tomorrow morning at the Good Hope Methodist Church, near Hopkins.

Miss Bertha Anderson left last night for Kansas City, where she will visit her sister, Mrs. Lee Crossan.

MRS. W. P. FELTON MAY SIT IN HOUSE OF SENATE YET

Friends Believe That They Have Plan Whereby They Can Get Her In

Washington, Oct. 21—A prospect of Mrs. W. P. Felton "Grand old lady of Georgia" serving for a single day in the senate as the nations first "full fledged" woman senator became bright today as a move was launched in her behalf.

Friends of Mrs. Felton, who was appointed to succeed the late Senator Watson, Democrat of Georgia, are developing a plan which they believe will enable her to be seated should President Harding call a special session.

NEW DIRECT ROCK ROAD TO BE BUILT THRU WILCOX

It Will Eliminate Five R. R. Crossings and Will Probably Be First Rock Road in County.

The county court this morning took official action toward the opening of a new road near Wilcox. This proposed new road will begin at the second railroad crossing this side of Wilcox at the Shell farm, and cut to the northwest to the other side of Wilcox. The purpose of this road will be to have a more direct line than the present road and to eliminate the necessity of crossing the Wabash tracks five times on the present highway. Two of these railroad crossings are east of Wilcox and three west of Wilcox.

The court made arrangements and secured the right-of-way on the land of C. C. Hainline, J. E. Crawford and J. F. Thomas. Condemnation proceedings have been instigated in court against S. H. Shell for the proposed road to go through his farm and the value of the land used will be appraised.

As soon as a complete right-of-way can be obtained the court will report to the state highway engineer and work will start immediately upon the road, with the letting of the contract. This road was surveyed by the state last year and the highway engineer says that this will probably be the first rock road to be built in the county. This road will be on the system of secondary roads running northwest from Maryville, and will mean a great improvement on the directness of the route in addition to eliminating the dangers of railroad crossings.

On St. Joseph Market

W. P. Nichols, J. R. Plummer, E. Boyer, Roy Lawrence and C. P. Taylor of Nodaway County had hogs on the St. Joseph market yesterday.

Harry A. Miller of the College went to St. Joseph Friday evening.

BELIEVE COUNTY UNIT BILL A STEP IN WRONG DIRECTION

Prairie View School Makes Resolution Against Bill in Meeting Last Night.

At a meeting last night of the patrons and directors of the Prairie View school the proposed county unit bill was discussed and the following resolution adopted:

Resolved, That this district 33 are not in favor of the so called County Unit Bill; that we believe it a step in the wrong direction for the betterment of our school system in Missouri and think all voters should give said bill careful consideration before voting November 7.

By order of the board and patrons.

J. A. BRITTON, Clerk.

HIGH SCHOOL WINS IN A POORLY PLAYED ONE-SIDER

Team Hit An Off Day and Played Like Amateurs at Times—Nice Drop Kick

Playing what may be termed as poor grade football the Maryville High School football won another victory at King City yesterday when the King City team lost a 0 to 24 game. Three touchdowns, two by O'Banion and one by Masters, were made and O'Banion booted a 38 yard drop kick. Masters kicked goal after each touchdown.

The feature of the game was O'Banions kick. It was a beauty and sailed straight and true between the goal posts.

Maryville scored ten points in the first five minutes of play and this seemed to make some of the players overconfident. They began to slow down and at times played rotten ball.

The only consistant gainer was Captain O'Banion.

The line-up follows:

Bush, c; Jones and Epperson, guards; Hartman and Curfman, tackles; Ogden and Carstens, ends; Willoughby, quarter; Chick and O'Banion, halves; Masters, full. The substitutions were: Mountjoy for Epperson, H. Miller for Chick, Fannon for Masters, Masters for Fannon.

Although in the game for but a short time Fannon played good football. He played all the time he was in the game and had lots of fight and pep.

Returns to Her Home.

Mrs. Frank Fuller, who has been visiting the past ten days at the home of her nieces, Mrs. Chas. Shinabarger, and Mrs. D. S. Moody, left this morning for her home in Crab Orchard, Nebraska.

Mrs. J. S. Shinabargar and daughter went to St. Joseph this morning to spend the day.

HOT LUNCH DEMONSTRATION GIVEN AT RAVENWOOD FRIDAY

Miss Effie M. Heyle of Home Economics Extension Service Visits Schools

Miss Effie M. Heyle, director of home economics extension service, gave hot lunch demonstrations at the Ravenwood High School building yesterday and today and as a result the home economics class of Ravenwood High School is planning the following experiment.

To test the value of hot lunch a number of underweight children living in the country that do not have a chance to go home for lunch at the noon period will be served. The children will be weighed at close of this test to determine if gains have been made. If this test proves satisfactory it will be planned to serve hot lunch to all those who do not go home for their noon meal.

Visits have also been made to other schools. Monday Graham was visited, Tuesday morning the subject was brought up at Quitman and the afternoon of the same day at Elmo. Miss Heyle was at Parnell Wednesday morning and at Harmony Wednesday afternoon. Thusday morning the Lafayette School was visited and in the afternoon she went to the Martha Washington School. Last night she was at Conception.

At all of these places the idea was taken favorably and more will be done in connection with it in the next few days.

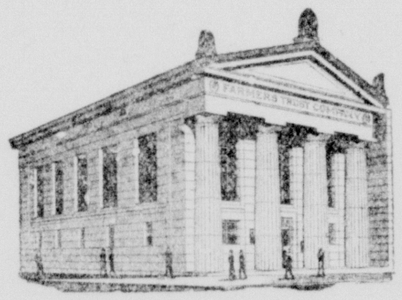
The Salesman.

In the commercial world the salesman occupies a position of prime importance. Production, labor, transportation, credit, would be in vain if he did not give them life. The salesman is alert and keen. He knows men and their fancies, women and their whims; he is quick to see and ready to grasp an opportunity.

Farsighted? To be sure. He has a savings account that grows steadily, and, often, a checking account as well. He knows that a proper bank connection is a valuable part of his equipment.



FARMERS TRUST COMPANY
